FOREVER

We feel that every patient in our practice deserves to have a smile they can be proud of. We are excited to offer our patients a unique program we call **FOREVER BRITE.**

When you come to our office for your preventative examination, x-rays and cleaning, we will provide you with custom bleaching trays and materials for a one-time enrollment fee of \$99 (Savings of \$300!) Then, at each recommended preventative visit, we will give you a complimentary touch up kit of bleaching gel. This ensures that you will be able to keep your teeth bright and beautiful forever.

All we ask in return is:

You keep your six month preventative visits current. Your long term dental health is as important to us as it is to you. Our patients have found that these six month visits help greatly reduce emergencies. That is why we are happy to provide this extra bonus for our patients who are committed to their dental health.

Provide at least 24 hours notice if you need to cancel or change an appointment. In order to provide exceptional services like FOREVER BRITE to all of our patients, we ask that you give us the courtesy of advance notice for schedule changes.

We appreciate the opportunity to serve you, and look forward to seeing your bright smile for many years to come!

I understand the FOREVER BRITE program requirements, and would like to enroll.
